YEARS

## ONECAN SPEAK POETRY JUSTBY ARRANGING COLORS WELL.

30 years spent pursuing the ethos, 'what the spirit commits perseverance completes' is what has shaped Stylam Industries Limited. We are reputed to be a global entity with a Pan India presence and a thriving export market in more than 60 countries, having our major customers in Europe, Far East, Middle East, Russia and North America.

We have our state-of-the-art infrastructural plant at Panchkula in North India. Sophisticated moulds of various nishes imported fom Europe are used in the production of our high quality laminates in accordance with the universally acceptable European standards EN 438 series. Crossing our silver jubilee celebrations was the inauguration of our ultra modern manufacturing plant, designed by renowned Singapore based architects. The facility has a hydraulic press system capable of producing the biggest size of laminate panels in India at $4320 \times 1860 \mathrm{~mm}$.

We are an ISO 9001: 2015 certi ed company, that itself shows ou integrity, quality and reliability. Another feather in our cap is, we are recognized as an 'Export House' by the Government of India. Our unique design range and advanced quality ef ciency of laminates has assisted the company in being awarded the prestigious CE

## CERTIFICATIONS

In 30 years, we have achieved what only a few dream of. Truth is, we just keep on going, with what we have decided. And then everything else... just follows.

The ISO 9001: 2015 certi cation is a hallmark of integrity, quality and reliability. The design and ef ciency of the laminates have earned us the CE Marking Award. Stylam takes pride in being recognized as an Export House by the Government of India. We meet all quality, safety and green standard and operate as a responsible corporate citizen.
